

TOP OF THE STUDENT LINE COAT RACKS

Stay Organized

ASI Student Line Coat Racks are constructed using the finest materials available to provide a system that is both strong and durable.

Units are finished with a high performance electrostatically applied powder coating to ensure years of worry-free maintenance. Mounting heights can easily be adjusted to the required size.

Rack Color Options are available in gray and black.

Solid Impact Resistant ABS Hooks are available in 5 colors; yellow, red, black, gray, and blue. Hooks are spaced 6" apart to provide students with ample storage room. Additional Hooks can be purchased separately.
